A few practical notes about the meeting:

1. **Presentations.** Given the limited time available, participant presentations should be loaded on the meeting computer before each session. Please come with a pen drive and as a backup also save a pdf version of the presentation. Please select the key information and stick to the allotted time, leaving 5 minutes for discussion.
2. **Transportation.** A convenient shuttle service (Alibus) between the Airport and the City Center is available for 4 €. The shuttle runs every 20 min and the transfer time is about 20 min. We also have arrangements for fixed fares [[variable depending on the paths: i.e. from downtown to Monastero 7 or 8 € per 1 to 4 pax; from/to airport, anytime, from 18 to 22 € 1 to 4 pax, depending on the distance](#)] with a dependable Taxi company, but you will need to call them [[095 8833 o 095 330966 – english speaking – you MUST indicate the name of the Meeting](#)].

You can also buy a CityPass valid for 3 days, which for 16 € entitles you to one round trip with the Alibus shuttle, unrestricted access to the City Bus and Subway networks, free entrance to 4 museums and discount rates in several shops and attractions.
3. The admittance fee for the visit to the Monastery in the evening of June 14th is 7 €, and is not covered by the registration fee. Please let us know if you are coming and pay the fee at the registration desk.
4. We are booking a bus for the Social Dinner, so please make sure to confirm your participation at the registration desk. The bus will leave at 20 sharp in the square facing the Monastery.

Have a safe trip and see you soon in Catania!
